

Join Us At Winsong Farm For Our 2014 Fall Fund Raisers

Please join us to help support HorsePlay Sanctuary

HORSEPLAY SANCTUARY

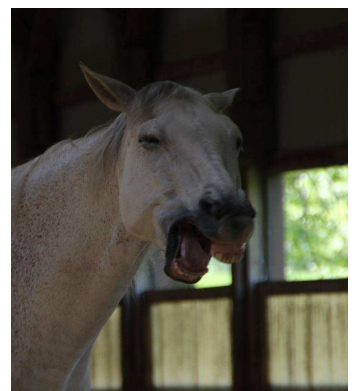

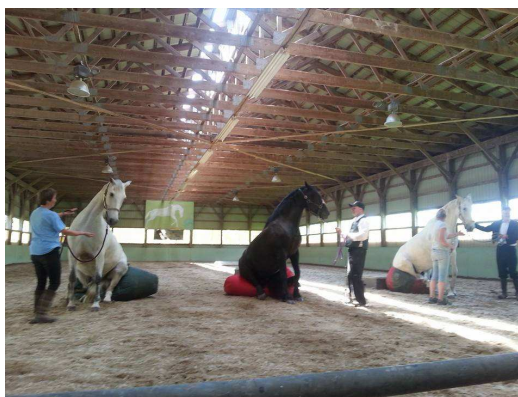

"People helping horses helping people"

'Horseplay Sanctuary has two key mandates, a therapeutic riding program for children and adults with special needs (these include physical disabilities like MS, Cerebral Palsy, spinal cord injuries, and cognitive ones like Autism), and a rescue for horses at risk of slaughter, neglect or abuse. We also run programs for women and youth at risk (eg. women escaping abusive relationships, kids at risk of substance abuse, dropping out of school etc.). '

Lillian Tepera

Special Guest M.C. – We are pleased to have Marie-Lynn Hammond as our Master of Ceremonies. Marie-Lynn, who's been called one of Canada's best singer-songwriters, has always loved horses. In 2013 she released a CD, *HoofBeats* that features 12 original songs about horses.

We hope you can join us to support a great cause and see some wonderful horses performing under saddle as well as liberty
